Use curved lines to enclose Bulbasaur's large, smiling mouth. Draw a curved line through the mouth to indicate the tongue, and two small, inverted triangles at the top of the mouth to indicate teeth. Description: Now, using the triangle as a guideline, draw in the bulb on Bulbasaur's back. The rounded section of the bulb takes up 2/3rds of the bulb, and the sprouty bit at the top only takes up 1/3rd.
